

## **PET WARRANTY**

**WARRANTY:** Select Engineering Services LLC. warrants to Customer for a period of one (1) year from the date Product is delivered to the Delivery Point that such Product delivered by Select Engineering Services LLC. to Customer pursuant to this Agreement (i) will be free from defect in material and workmanship, and (ii) will perform in all material respects in accordance with the Specifications under normal use and service. Select Engineering Services LLC.'s sole responsibility under this warranty shall be limited to i) repair the defective Product or component; or ii) replace the defective Product or component with a new or reconditioned Product or component. The foregoing warranty shall not apply if:

- (a) the Product or component parts have been tampered with, damaged, or subjected to adverse conditions for which they were not designed, or to abuse, misuse, accident, alteration, modification, enhancement, neglect, service, repair, improper installation or operation, overload or other circumstance caused by anyone without the express written consent of Supplier; or
- (b) the malfunction results from the use of the Product in conjunction with accessories, ancillary or peripheral equipment that is beyond the range of the intended use of the Product; or
- (c) the fault was caused by any other cause beyond the range of the intended use, physical damage or physical force, ESD (static damage), by accident, fire, water damage, lightning, other hazards or acts of God.

**RETURN PROCEDURE:** Purchaser must contact Select Engineering Services to obtain a Return Material Authorization Number (RMA) and shipping instructions. Upon receipt, Select Engineering Services LLC. will inspect the returned goods and take the appropriate action in accordance with its standard Warranty provision.
